RESPONSE TO EXAMINER INTERVIEW SUMMARY

Sir:

This paper is being filed in response to the Examiner's Interview Summary dated as mailed July 1, 2009. In the interview, the Examiner suggested amendments to correct the Section 101 rejection. In the Examiner's Interview Summary, the Examiner made an Examiner's Amendment. Applicant acknowledges the Examiner's Amendment. However, Applicant would like to point out that the underlining was made in error. The only portion of the claim that should be underlined in claim 1 is "wherein the calculating steps are performed by a computer."

Additionally, all claims other than claim 1 were not amended by the Examiner but instead were amended by Applicant in the non-Final Office Action Response.
